

## Checklist for Traveling

- ✓ Check weather to determine if the road is clear and/or passable.
- ✓ Route has been determined, taking into account weather and road construction
- ✓ Paperwork needed for transit and unloading is in the driver's possession.
- ✓ Truck has been checked on all sides to make sure all cattle are standing and ready for travel.

- ✓ Pull away from chute slowly and make gentle turns. This is especially important the first hour on the road while cattle are getting their balance.

- ✓ Check cattle on a long haul after two hours on the road, and then every 4 hours after that.
  - ◆ Remember to keep stops as short as possible in extreme heat or cold conditions.
